Until we have final numbers, we cannot guarantee places. It is important that we try to enable as many participants as possible to participate in at least one event, but once we reach capacity, these activities will be closed. Please note on your entry form, using an asterisk which of these two events you would prefer if only one option is available. We will try our best to accommodate.

NOTE: Regulations state that children under the age of 12 are not permitted at any motor racing venue while events are taking place.
7. **Khanacross**
 - a. The khanacross is the only event in which **participants are required to be rostered on as Flag Marshalls** during wait times. As only two vehicles are permitted to be on the track at any time, there will be considerable down times between runs, so bring a deck chair.
